

## **Group 2**

On level 2 you will further improve your ability to speak, listen, read, and write in Yiddish.

With Karo Wegner, you will learn new grammatical structures that will help you better express yourself and understand written and spoken Yiddish.

With Philip Schwartz, you will focus more on reading original Yiddish texts.

We will get to know Jewish Warsaw through the lens of fiction, memoirs, and songs.

Level 2 is for you if you are already familiar with the three grammatical cases and three tenses. (However, we will review them at the beginning, so don't worry if you don't feel entirely confident about them yet!)
